

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF TEXAS  
AUSTIN DIVISION

ANTHONY O. WILSON,

Plaintiff,

v.

Defendant.

§

1:23-CV-1074-DII

**ORDER**

Before the Court is the report and recommendation of United States Magistrate Judge Mark Lane concerning Plaintiff Anthony O. Wilson's ("Plaintiff") Motion to Remand, (Dkt. 9). (R. & R., Dkt. 22). Plaintiff received the report and recommendation no later than February 5, 2024. (Dkt. 25). As of the date of this order, no party has filed objections to the report and recommendation.

Pursuant to 28 U.S.C. § 636(b), a party may serve and file specific, written objections to a magistrate judge's proposed findings and recommendations within fourteen days after being served with a copy of the report and recommendation and, in doing so, secure de novo review by the district court. When no objections are timely filed, a district court can review the magistrate's report and recommendation for clear error. *See* Fed. R. Civ. P. 72 advisory committee's note ("When no timely objection is filed, the [district] court need only satisfy itself that there is no clear error on the face of the record in order to accept the recommendation.").

Because no party has filed timely objections, the Court reviews the report and recommendation for clear error. Having done so and finding no clear error, the Court accepts and adopts the report and recommendation as its own order.

Accordingly, the Court **ORDERS** that the Report and Recommendation of the United States Magistrate Judge, (Dkt. 22), is **ADOPTED**. Plaintiff's Motion to Remand, (Dkt. 9), is **DENIED**.

**IT IS FURTHER ORDERED** that given his history of asserting frivolous claims despite prior admonishments and/or sanctions, both in this Court and elsewhere,<sup>1</sup> Plaintiff Anthony O. Wilson (Texas Bar No. 24043453) is **PROHIBITED** from filing cases as a *pro se* litigant in the Western District of Texas without the Court's permission.

**SIGNED** on February 27, 2024.
